**Marcie Winkelman sworn in as
City Clerk on April 26th by
Mayor Russ Pfab**

**Welcome to Peosta! We are
excited you are here!**

Happy May!

We are pleased to have Marcie Winkelman taking over as our new City Clerk! She was sworn in at our April 26th council meeting. Marcie has been working very hard to take care of all the things the city needs! (Which frankly I'm not even sure what that all means but I know it's extensive!) Please help me congratulate Marcie on her new adventure!

The weather is turning warmer – and hopefully less windy! Time to get outside and spruce up the yard or work on the house. The perfect place to get started is Steve's Ace Hardware. They hosted their grand opening and ribbon cutting April 22nd – 24th. If you didn't get a chance to stop out – or just couldn't get in because it was packed all weekend – you need to stop and take a look around. I met owners Jason and Sara when I was there on Sunday the 24th and they are very happy with the reception they have received in Peosta! The feeling is mutual – we are very happy to have you join us here in Peosta! Jason says make sure you check out the bathrooms! A lot of thought went into the décor!

It seems like something is always happening in Peosta and that will continue as more new businesses and buildings will be going up soon.

Peosta Square is ready to start building across the street from Round 2 and behind the Farm Bureau office. The main level will have business space for lease or rental with the top 2 stories as apartments.

Dollar General will also be breaking ground soon on their new store! It will be located between Round 2 and Casey's. Just before Fareway. This will be a great addition for the community for all those miscellaneous items you need but won't need to make a trip to Dubuque for!

Another new business coming to Thunder Valley Road area near Darkbird Taproom is Sweat Inspire Sisterhood. A women's fitness center. Check out their Facebook page to keep up on the details! Lastly – plans are in the works for a remodel and addition for the City Hall and Peosta Community Center. Design work has begun and final details are being worked out. No timetable yet to announce when everything will get started but a great (and needed) enhancement for the city!!

Speaking of keeping up on all things Peosta don't forget to check in on the Peosta website www.thecityofpeosta.org, like our Facebook page: City Of Peosta and sign up for text alerts on the website to get the latest information going on in town.
Enjoy your spring!!

Russ Pfab
